To all AAWDC Member Clubs and Associates

As hosts of this year's AAWDC Interclub Family Day, the Land Rover Owners of Club of SA would like to invite all member clubs to participate in this year's event.

The event will take place at Land Rover Experience, Gerotek, roughly 15 kilometers outside Pretoria. The venue has wonderful obstacle opportunities, plenty of parking for day visitors and spectators and ample space for camping with ablution facilities.

The proceeds from this year's event will be donated to the Endangered Wild Life Trust to be used for their Wild Dog Initiative in the Greater Kruger National Park, the main purpose being to purchase tracking collars. It is a wonderful project to be part of and we trust all clubs will contribute to this great cause through obtaining sponsorship for their obstacles and encouraging as many spectators as possible to attend the event.

We are delighted to announce that Jaguar Land Rover South Africa, Land Rover Experience, Gerotek, Bridgestone and Tracks4Africa, have already come on board as key sponsors to this year's event. Front Runner has also provided a wonderful prize for the day.
